GENETIC HERITAGE INDEX

The Genetic Heritage Index indicates the genetic patrimony that your horse has inherited from its parents. It determines the genetic potential to perform on the racetrack and to pass on his genetic patrimony at stud & breeding. This index represents the value of 22 genetic markers identified for their impact on the performance and pace.

EQUINE GENOTYPING

TROTTY

The Genetic Heritage Index represents all of genetic markers of your horse. The presentation displays the proportion of French genetic markers of genomic markers.

The value Index of these markers and their suggested alleles allows to establish the best genetic patrimony in the form of an index.

Each gene that has been tested in your horse generates the desired genotype for the studied marker.

The more right you know genetic markers, the more favorable the genetic value of your horse. The extension of these values depends on the horse's upbringing and daily management.

Conditions of sale

(In french p.11)

These Conditions of Sale have been translated and are deemed accurate. Nevertheless, the sale is ruled by the French version of the Conditions of Sale and if a difference was to be found between the French and the English translation, the French version would be the one that rules.

It is assumed that all buyers and vendors are familiar with, and have accepted these conditions of sale. These conditions shall apply to all transactions performed by ARQANA. Arqana does not accept any responsibility for failure of telecommunications or internet connections. These conditions are in accordance with the law of July 10th, 2000 and articles 2001- 650, 651, 652 (modified) which deal with the voluntary sale by public auction of movable goods, as well as the law of July 20th, 2011, decree n°2011-850, and the French commercial code.

1 - Sales at Public Auction

Sales at public auction are, in accordance with the law of July 10th 2000 and the articles 2001-650, 651 & 652 (modified) which deal with the voluntary sale by public auction of movable goods, as well as the law of July 20th, 2011, decree n°2011-850, and the French commercial code ARQANA, which was recognised as a company which organises voluntary sales on March 28th 2002 under the number 2002-121, will act on behalf of Vendors, who agree to give responsibility for billing and collecting money to ARQANA.

These General Conditions of Sale are applicable in all cases except in the case of an announcement prior to sale, which announcement shall be written in the official record of the sale.

The private sale of any horse sold by auction by ARQANA which is bought back by the Seller, subject to a subsequent transaction involving ARQANA shall be considered as a public auction as regards applicable provisions.

ARQANA Trot acts as the sale organiser and provides (technical & material) assistance to ARQANA. The Responsibility of ARQANA & ARQANA Trot to Seller or Buyer is limited to the responsibility herein defined and contractually accepted by Seller and Buyer. In a general way, ARQANA & ARQANA Trot are not liable in any way to Purchasers or any Third Party for a breach of the conditions of sale.

2 - Bidding

Minimum Bid

Mixed sale : €1 000

Selected yearlings sales : day I : €5 000 ; days II & III : €2 000

Select European Yearling Sale €2 000

Prix d'Amerique sales: prestige €2 000

Payment in full for any lot purchased is immediately due.

In accordance with the law, bidding will be conducted in Legal euros, the conversion into foreign currencies displayed shall be for information only.

ARQANA reserve the right to reject any bids made by people who they do not know to be creditworthy. In particular, any bidder who has an unpaid account with ARQANA or any Auction House is not taken to be creditworthy.

If it is established that two or more bidders have simultaneously bid the same amount at the same time on the same horse, either by voice or signal, and they each claim the horse after the fall of the hammer, the horse in question shall be immediately put up for resale at the last bid, and any person present may bid again. The horse will then be sold to the person offering the highest bid.

Should immediate payment not be made, the horse in question may be re-offered under the procedure known as «Folle Enchère» in the same sales session.

ARQANA can authorise a delay for the settlement of a purchaser's account upon presentation of a guarantee of payment. This delay may not exceed 20 days from the date of the sale. The horse may neither be entered in or take part in any race until entire account is settled, which will comprise the sale price, commissions and VAT. ARQANA must be notified of the place of board of the horse and must be notified in advance of any change thereof.

In the 30 days following the sale, upon default of payment by the purchaser, and after having served a final notice without result, ARQANA may take possession of the horse for which full payment has not been received. The defaulting purchaser will be liable for the difference in price between the original sale price and that of the resale and does not have the right to any sum in excess. The vendor may equally request the resolution of the sale without penalties.

3 - «Folle Enchère»

ARQANA expressly reserves the right to re-offer a horse, at the latest on the day after the sale, if the bidder defaults or is incapacitated.

Should the successful bidder fail to sign the acknowledgement of purchase, ARQANA shall re-offer the horse but cannot be held responsible for any discrepancy in price.

In these circumstances ARQANA cannot be considered liable either by the Seller, or by the Buyer who has disappeared.

Should the Vendor, or, where appropriate, his representative expressly oppose re-offering the horse, ARQANA shall be discharged from the payment guarantee specified in Article 14.

In the case of resale under «Folle Enchère», in the absence of instruction to the contrary by the Seller, given to ARQANA before resale, the reserve price previously established shall remain in effect.

4 - Informations to be Supplied by the Vendor

It's the Vendors' responsibility to provide in writing prior to the sale all information which they are required to make public.

ARQANA & ARQANA Trot are responsible solely for the accuracy and good faith of statements made by the Vendor with those made to the public, including but not limited to identification of horses, their pedigrees or countries where foaled, their earnings, their racing engagements, their redhibitory vices or the applicability of V.A.T.

ARQANA Trot and ARQANA specify that the :

ARQANA Trot will publish a list of horses, whose vendors have provided veterinary file, the sign : above the pedigree and on the box door indicates them.

The Veterinary file is compiled by the vendor with veterinary advice. It will include X Rays (minimum 12 views of fetlocks and hocks) as well as other documents of interest to veterinarians working on behalf of buyers.

Each purchaser will be able to consult these files, the day of the sale, at the sales office. An area will be set aside for the consultation of these documents by the purchaser's veterinary surgeon.

Prior to the consultation of any veterinary file at ARQANA and ARQANA Trot, a consultation form must be completed and signed by the purchaser or his veterinary surgeon who will undertake not to disclose any information found therein.

Each purchaser may, with the authorisation of the vendor, have his own veterinary surgeon carry out a further examination; this will be at the responsibility and expense of the purchaser.

Thus, the Vendor must indicate in writing, prior to the sale, any errors or omissions set forth in the catalogue in order that these errors or omissions may be disclosed to the public by announcement from the Rostrum before the sale and entered in the Official Record of the Sale.

Any Vendor who does not provide, before the beginning of the sale, a written correction concerning the information set forth in the catalogue with regard to horses offered by him, will be construed to have approved this information as published and the responsibility for the accuracy of this information will lie entirely with him.

ARQANA & ARQANA Trot draw the attention to Buyers on announcements from the rostrum during the sale which can contain important information which is not included in the catalogue.

5 - Withdrawal

For each horse accepted and listed in the catalogue of this sale but not presented for sale, the Vendor shall, unless he provides a Veterinary Certificate confirming the impossibility of presenting such horse pay to ARQANA a sum not less than 3 000 €, in addition to the entry fees.

ARQANA reserves the right to request that the President of any Court of competent authority designate an expert to determine the state of any animal.

This sum will equally be due if the horse is absent because it is being offered at another sale, in addition to the entry fees as specified in the entry form.

6 - Documents of Origin

Horses entered by the Vendor must be accompanied by proper documents, notably the Passport, Vaccinations certificate, Certificate of title (french horses, «carte d'immatriculation»),

Registration Certificate (foreign horses, I.E. deposit receipt and description book) plus a covering certificate for pregnant mares when the mares are sold with covering paid (and only the "attestation de saillie" for mares where an outstanding amount is payable).

These documents must be provided by the Vendor before the sale to ARQANA Trot or to ARQANA office the day of the sale. The responsibility remains entirely with the Vendor in the event that the documents for any horse are not submitted before the sale and ARQANA & ARQANA Trot shall have the right to refuse to offer such horse in the sale.

However, if the sale of the animal goes ahead, ARQANA shall not, under any circumstances, be liable for the absence of the required documents.

In addition, the Vendor agrees to accept the identification of horses offered as made by the Official

Veterinary Officer.

A NEGATIVE COGGINS TEST certificate issued less than 30 days previously must be lodged at the office before the sale, without which certificate the horse will be unable to be offered for sale. All documents are lodged and collected from ARQANA Office.

Payment to the Vendor may only be made once ARQANA is in possession of all documents for the horses sold, as well as a copy of the declaration made to the SECF in the case of the dissolution of a partnership.

7 - Guarantees by the Vendor

Horses offered for sale by auction are sold with the sole legal warranty provided by the French Rural Code (articles 213-1 and R 213-1 et seq.), exclusive of any other warranty bar conventional warranties applying to stable vices, abnormal inspiratory sounds and locomotor ataxia (wobbler syndrome).

Conventional warranties:

The buyer may seek the resolution of a sale in the case of stable vices, abnormal inspiratory sounds or wobbler syndrome according to the below conditions, and of which he would not have been aware before the sale.

1 - Stable vices:

Stable vices such as crib-biting, wind-sucking, habitual weaving and habitual box-walking shall be announced from the rostrum, failing which the buyer may seek the resolution of the sale.

Therefore, any lot that

(a) is a Wind-sucker (i.e. habitually gulps or swallows air whether in association with grasping fixed objects with incisor teeth or not) or a Crib-biter;

(b) has been operated on for the correction of Wind-sucking as defined above, including Cribbiting;

(c) is an habitual Weaver (i.e. habitually swings its head and neck to and fro and transfers weight from one forelimb to the other alternately) or

(d) is an habitual Boxwalker (i.e. habitually walks either backwards and forwards or round and round the box repeatedly in an aimless manner)

shall be returnable unless it has been so described, in which case the lot is not returnable.

2 - Abnormal inspiratory sounds:

Any Lot described as a Yearling may be returned, unless it has been so described or described as having been "heard to make a noise" without qualification, if:

(a) it is a Whistler and/or a Roarer, i.e. makes a characteristic abnormal inspiratory sound when actively exercised and whose scope reveals a Laryngeal Hemiplegia or a Recurrent Laryngeal Neuropathy;

(b) it has been tubed or otherwise operated upon for the correction of Whistling and/or Roaring (operations to treat the displacement of the soft palate, including the operations tie forward, cautery of the soft palate, trimming of the soft palate and myectomy are not operations for the correction of Whistling and/or Roaring within the meaning of this sub-condition), or;

(c) it makes an abnormal inspiratory noise when actively exercised and has (i) a rostral displacement of the palatopharyngeal arch (fourth branchial arch defect); or (ii) a chondroma or severe arytenoid chondritis; or (iii) a cleft palate; or (iv) epiglottic entrapment; or (v) a sub-epiglottic cyst,

Any Lot described as a Horse in Training or showed on the track, unless it has been so described, if:

(a) it is a Whistler and/or Roarer as hereinafter defined (in the case of a Horse In Training, a Whistler and/or a Roarer is a horse that makes a characteristic abnormal inspiratory sound when actively exercised and whose scope reveals a Laryngeal Hemiplegia or a Recurrent Laryngeal Neuropathy;

(b) it has been tubed or otherwise operated upon for the correction of Whistling and/or Roaring (operations to treat the displacement of the soft palate, including the operations of tie forward, cautery of the soft palate, trimming of the soft palate and myectomy are not considered as operations for the correction of Whistling and/or Roaring within the meaning of this sub-condition).

3 - Locomotor Ataxia

Any Lot which suffers from locomotor ataxia (or cervical spondylomyelopathy or Wobbler syndrom) is returnable under the present condition.

Specific return procedure applying to the three aforementioned resolution cases

In case of stable vice or abnormal inspiratory sound or locomotor ataxia, the purchaser may seek the resolution of the sale by sending to ARQANA, either by post or email, a notice in writing before 5:00 p.m. on the 7th day after the day on which the lot was sold, along with a veterinary certificate.

Upon the vendor's request, communicated to ARQANA in writing within 4 days from the transmission of the report made by the purchaser's veterinarian, a joint amicable expert evaluation may be ordered by ARQANA. It shall be carried out by a veterinarian appointed by ARQANA, each party being allowed to be assisted by its own veterinarian.

Failing agreement between the parties following this second opinion, the purchaser may bring the case before the court according to regular legal remedies, within 30 days from the reception of the amicable evaluation report.

Redhibitory Vices

Moreover, the vendor shall guarantee the buyer against the vices specified in section R 213-1 of the French Rural Code which he/she would not have declared before the sale.

Any action taken by the buyer in respect of the said redhibitory defects shall be taken in accordance with the provisions of section R 213-3 et seq. of the French Rural Code, i.e. within 10 days from the delivery, not counting the day of delivery, except for periodical inflammation and infectious anaemia for which such period shall be 30 days not including the day of delivery.

All deadlines shall expire on the last day at 12:00 pm. Whenever a deadline expires on a Saturday, a Sunday or a Bank Holiday, it shall be extended to the first working day that follows.

Within the stated period, the buyer must submit to the Judge of the Court relevant to the horse's location a request seeking the appointment of experts commissioned to draw up a report on the examination of the animal, failing what his/her application shall be turned down.

Within the same period, the buyer must initiate one of the legal actions started by the occurrence of a redhibitory vice as defined in articles L. 213-1 to L. 213-9 of the French Rural Code.

Within the same period, the buyer must inform ARQANA, by registered mail, of the submission of his/her claim to the Judge and enclose a veterinary certificate detailing the vice concerned.

Veterinary File and Arbitration

Any Purchaser who has access himself, or through the intermediary of his veterinary surgeon who has also had access to information concerning a horse, redhibitory vice, X-Rays etc, will be deemed to have been informed of any such vice and will therefore be unable to claim ignorance of such facts as a motive to have a sale annulled.

Failure to have had access to this information and if in the 30 days following the day of sale, the Buyer feels that the horse is affected by a latent defect, he may, at his own expense, request expert opinion on an amicable basis so as to assess grounds for such application. This examination shall be performed by an expert veterinary surgeon agreed upon by both parties. The length of the examination cannot be used by the Seller as a reason to challenge the admissibility of further legal action. Barring technicality, both parties may undertake to accept the findings of the said expert.

The Purchaser's action for cancelling the sale must be brought directly against the Vendor, whose name will be supplied to him on demand by ARQANA. In any case, this action may not be entered against ARQANA, who cannot be held responsible.

No claim, even in case of redhibitory-vice, can be entertained if the Buyer has not paid in full the purchase price of the horse in question.

In the case of a redhibitory-vice, the purchase price will be held by ARQANA until the claim is resolved (see article 14).

Claim for cancellation of sale relating to the testing of prohibited substances

The sale shall be annulled automatically (except at the request of the purchaser) for horses which have, before the sale, either won or placed and which, subsequent to a positive test for prohibited substances, have had such results rendered void by the SECF. In this case, the Vendor will be obliged to reimburse the full purchase price (including sales commission) and to take back the horse. To recover this money the Buyer, or his representative, must make a written request, by registered post, within fifteen (15) days of reception of written notification from the SECF concerning the disqualification.

Lot identification

The vendor must ensure that each horse presented for sale carries the proper lot number by which he is identified in the catalogue. In case of error or confusion, it is incumbent on the Vendor to correct such error or confusion, and this responsibility shall not be placed on ARQANA or ARQANA Trot.

ARQANA & ARQANA Trot will commission a Veterinary Surgeon to check the horse's passport. Where the identify is in dispute, the Vendor shall agree to a blood test and to have any necessary photographs taken.

The Vendor must ensure that horses presented for sale have had the Vaccinations as laid down by the French rules of racing, as well as the negative Coggins Test dated within 30 days of the sale.

Horses which are sold under any order of any court of competent jurisdiction or any competent

judicial, governmental or regulatory body, are sold "as is" and "as seen", without any guarantee, and no warranty or representation in relation to the condition is made by ARQANA in relation to such horses, in accordance with article 1649 of the civil code.

Broodmares

All Vendors of Broodmares must state precisely in the catalogue the mares complete breeding record since going to stud.

The Vendor is responsible for the accuracy of such information and the Purchaser may only sue him for any error or omission. Where significant information in the catalogue, or announced from the Rostrum at the Vendor's instruction, is proved to be inaccurate or incomplete, the sale may be cancelled at the request of the Purchaser, up to 30 days after the sale.

The Vendor may have confirmation that the mare is «in foal» announced from the Rostrum if it is supported by a veterinary certificate dated within the 10 days preceding the sale.

The Purchaser is entitled to have the mare examined by a veterinary surgeon approved by the Vendor within 24 hours of the sale and before she has left the sales complex. If the resulting pregnancy diagnosis turns out to be contrary to the Vendor's statements, the sale shall be cancelled automatically. A broodmare sold as «not in foal» which has been covered, and which turns out subsequently to be «in foal», shall be returned to the Vendor. The Vendor shall reimburse the Buyer for the purchase price with interest added at the rate of 12 % per annum, as well as for the sales charges and boarding fees at the prevailing rates, within 15 days of the Purchaser's notice by registered letter that the mare is in foal. The Purchaser nevertheless has the option of keeping the mare if he offers to reimburse the Vendor for the Covering Fee alone without any supplementary expenses.

Where the Purchaser lets the mare foal, he shall be deemed to have agreed to settle the Covering Fee whether or not the foal is viable.

The prospective Purchaser of a Filly out Of Training may, before the sale, ask the Vendor for permission to have her examined by a veterinary surgeon approved by the vendor with the object of establishing her fitness for breeding, in particular the state of her genital organs.

Each horse entered as being suitable to be a stallion is done so under the sole responsibility of the Vendor. The Vendor of a stallion, or a potential stallion, shall undertake in regard to the Purchaser (in particular for the French National Stud) to agree to the request of the Purchaser that the sale be cancelled where the animal has not passed the customary fertility tests within 30 days of the sale, and, for the French National Stud, its own prescribed tests.

8 - Responsibilities of the Vendor

Horses to be sold, complete with bridle and rope, must not arrive later than the morning of the sale so as to allow the Buyers time to examine them.

The head-collar becomes the property of the Purchaser.

In addition, a horse can be refused for the sale if it does not have a bit bridle.

The Vendor must ensure that he employs a groom to take responsibility for looking after not more than three horses. An additional groom must be taken on for every three horses or fraction thereof. The Vendor must ensure that he or his representative is present at the time of the sale to make any necessary decisions, particularly in the event of an irresponsible bid or the horse being unsold.

9 - Cancellation of Sale

In the case of cancellation of the sale for any reason, the Vendor shall be held liable to reimburse the Buyer for the full purchase price and Purchaser's commission, as well as all expenses incurred by the Buyer for the horse while in France until the time of cancellation of the sale.

In the event of export of the horse, the costs incurred in transport of the horse outside France, upkeep of the horse, and return transport to France shall be borne by the Buyer.

In any case, no action shall be brought against ARQANA & ARQANA Trot who cannot be held responsible.

It is expressly understood that a buyer forfeits his right to have a sale annulled on the basis of redhibitory vice should the horse take part in an equine event of any nature.

No claim for cancellation of the sale may be made against the Vendor after the 30 days warranty period, and only for the aforementioned causes

10 - Responsibility for Injury By, or To, The Horse

Until the horse is sold, that is to say until the fall of the hammer, the horse or lot for sale remains the property of the Vendor, so ARQANA & ARQANA Trot cannot be held responsible, neither for accidents, nor sickness or injury or any sort sustained by the animals or caused by them to any persons who may be within or without the sales complex. Risk of fire and loss and injury also remain entirely the responsibility of the Vendor.

Each potential Purchaser will proceed to the consultation of the medical file and if the need arises, the complementary veterinary tests, under his responsibility and at his expenses, within the protocol

established by the Association of Equine Veterinarians. In case of accident caused to a horse or by a horse examined by the potential Purchaser or by his veterinarian, the latter will be solely responsible and will have to bear all the direct or indirect consequences, Sellers and Purchasers committing themselves not to hold ARGANA & ARGANA Trot responsible in any case. Loading and unloading and of transport from the railway station at time of sale, and similar operations, are made for the account of and at the expense, risk and peril of the Vendor. After fall of the hammer, the Purchaser is substituted for the Vendor with respect to these responsibilities.

The fact that ARGANA & ARGANA Trot may perform these functions on behalf of the owner (Vendor or Purchaser) of loading, unloading or shipping, in no way nullifies the conditions stipulated above. In addition, Purchasers and Vendors are always free to take charge themselves of the loading and unloading.

11 - Unreserved sale

As the sale is voluntary the seller or his agent can still buy back the horse he has presented if he deems that the bids are not high enough on condition that he declares so himself or through his agent holding due power of attorney in writing. Such declaration shall be made to the auctioneer as soon as the horse is bought back. The seller shall then bear the costs of the purchase as indicated on the entry form.

12 - Sale to Dissolve a Partnership

When a sale is required in order to dissolve a partnership between Co-Owners, it must be without reserve, in order that a co-owner cannot buy in or not sell the part which belongs to his co-owners. On the other hand, any one of the co-owners can always bid for his own account on the whole lot and have it knocked down to him; in such a case the sale charges incumbent on the Purchaser shall be due only on the part which did not belong to him previously and buying back fees will apply to the part which belonged to him.

In the case when one partner buys the share of another ARGANA does not guarantee payment to the partner selling. The partner selling will be paid by ARGANA as soon as the partner buying has settled for his purchase.

13 - Vendor's Payment

ARGANA will pay for each horse, after having received the corresponding payment from the purchaser, thirty (30) working days after the sale (and not including the day of the sale), and guarantees total payment to the vendor for each horse sold forty five (45) days after the sale.

This guarantee is not, however, applicable in the case of a bid which is the subject of a dispute, in the case of and according to the terms of Article 13, or if the Vendor expressly agrees to accept such a bid, in spite of ARGANA's right to re-offer any lot knocked down to an irresponsible bidder who defaults or disappears. The Vendor will not, therefore be paid until payment has reached ARGANA.

In the event of Seizure, Action to Cancel the Sale on the part of the Purchaser, Legal Action between the Purchaser and the Vendor, or if a Third Party makes a claim on the money owing to the Vendor, the guarantee of payment is rendered void.

In other words the Vendor will receive payment after the receipt of funds from the Buyer.

The payment guarantee shall also become null and void if the Vendor owes money to ARGANA.

Furthermore, payment, upon receipt of the funds from the Buyer shall be effected to the Seller minus sums due to ARGANA.

In the case of a sale to dissolve a partnership ARGANA does not guarantee payment to the Seller if one partner buys the share of another. ARGANA will pay the partner selling as soon as it has received payment from the partner buying.

In addition, ARGANA reserves the right to set off the customer's debts against the amount due to him at the time of the auction.

Vendors subject to VAT have sole responsibility for declaring and paying the VAT to the competent tax authorities.

14 - "Folle Enchère opposable au vendeur" (Irresponsible bid)

In the 10 days following the sale, ARGANA may inform the vendor of the purchaser's default. After having served final notice without result, with the agreement of the vendor, the horse can be re-offered at the earliest opportunity either by ARGANA or another sale company, the vendor may not claim the difference in price from ARGANA.

The defaulting purchaser will then be obliged to pay the difference between the original sale price and that of the resale and will not be entitled to any sum in excess, this sum being accorded to the vendor. In the case that the vendor does not wish the horse to be re-offered, and after having notified ARGANA by registered post, the sale shall be resolved by law and the horse shall be returned to

the vendor, without prejudice.

After the 10 days following the sale ARQANA accepts the responsibility of guaranteed payment to the vendor on the 45th day following the sale, according to the conditions in Article 14.

From the 11th day ARQANA, subrogated by its payment guarantees, will become the legal owner of the horse and will dispose of all rights regarding said property, notably; undertake proceedings against defaulting purchaser; re-offer the horse and reclaim the difference in price between the original sale and resale, any surplus being the property of ARQANA.

15 - Payment by Purchasers - Release of Registration Papers

All sales made at Public Auction are deemed to be for immediate payment.

Only the Vendor may, after the fall of the hammer, authorize in writing the Purchaser to settle his debt at a future date under the terms of the Vendor's written submission.

This contract must be brought to the attention of ARQANA. In this case, ARQANA shall not settle with the Vendor until it has received payment from the Purchaser.

Every bidder is deemed to be bidding for himself, and the successful bidder, whose name shall be entered in the official record, shall be personally responsible for his purchase.

If the Purchaser states that he is acting for a third party he must have a written power of attorney from that person, and is jointly and severally liable with the aforesaid party for full amount of the bid. The Purchaser whose name is formally recorded shall be liable for his purchase in the event of his principal defaulting.

Where the Purchaser does not have a specific power of attorney, ARQANA may consider anyone who in one way or another shows himself to be the tacit principal of the Purchaser as a debtor on behalf of that Purchaser.

Henceforth, despite concessions previously made, no deductions of any kind may be made from invoices sent out by ARQANA. Such invoices must therefore be settled in full by the Purchaser or their agent.

All payment must be made to ARQANA, and will be in the total amount set for on the invoice.

Only after payment in full of the invoice and signing of the transfers of engagements may the Purchaser obtain the documents (passports and registration papers) with respect to their purchase, from ARQANA's office.

Payment will include the selling price plus the commission on the sale price. This commission, as well as the sale price, is due immediately, without the documents having been remitted, or the horse will be re-offered under «folle enchère».

In the case of no payment, ARQANA will advise the Purchaser by receipted registered letter that :

- he has eight clear days to settle his account,
 - an interest of 0,75 % per month will be charged, on the total of the invoice, beginning on the 30th day after the sale.
 - ARQANA reserves the right to hand the papers to its lawyer who will recover the amounts due.
 - All fees chargeable to ARQANA to recover the amounts due will be borne by the debtor. They will not, however, be lower than 10% of the amount of the sums to be recovered.
 - The horse may be seized by ARQANA and re-offered at the earliest opportunity either by ARQANA or another sale company, the defaulting purchaser will then be obliged to pay the difference between the original price and that of the resale and will not be entitled to any sum in excess.
- In case of redhibitory vices, or sale cancellation under guarantee, proceeds will be held by ARQANA.

16 - Conditional Sale Clause

ARQANA, under the terms of its guarantee of payment having assumed the rights and obligations of the Vendor, retains title to the horses delivered until full payment of the price and incidental charges. In this case, the delivery of a draft, bill or certificate of indebtedness will not constitute payment under the terms of this clause.

The Purchaser is forbidden to dispose of the horse by sale, chattel mortgage, pledge or in any other way until he has made full payment for the price and incidental charges.

All agents undertake to bring this clause to the attention of their principals.

Where the horse is subject to any legal claim or other intervention by a third party, as in the case of insolvency, receivership or bankruptcy, the Purchaser shall so inform ARQANA immediately.

Despite the existence of this conditional sale clause, the Purchaser shall bear the risk of death, injury, or sickness of the horse. The Purchaser shall also bear all upkeep charges (care, keeping fees, vet fees, training & transport) for the horse from the fall of the hammer.

In the event of non-payment of the price and incidental charges, ARQANA may at their discretion, without formality, repossess the horse on the premises of a public or private trainer, or wherever else it may be. Any proceeds resulting from this shall be deducted from the total of the sale price and charges, the original Buyer remaining liable for the balance of his bid, all related damages, and interest. The costs of care, boarding, training and removal of the horse shall be borne by the purchaser. The original sale shall be cancelled automatically without a Court Order.

A simple summary order by President of the appropriate Court will be sufficient to confirm the right of ownership of horses not paid for. If the dispute is with a business, the relevant Court shall be the Tribunal de Commerce des Hauts-de-Seine.

17 - Pass Out Documents

No horse, whether sold or unsold, may leave the sales premises without a pass out which is obtainable from the Sales Office.

Before taking possession of their horses Purchasers must present themselves at the Sales' Office, either to settle their account, or to explain how it will be settled. They will then be given the exit papers necessary to remove horses from the sales grounds.

Unless the Vendor notifies the contrary to ARQANA & ARQANA Trot directly within half an hour of the sale, these exit papers will allow the lot to leave the sale grounds at the demand of the Purchaser, or of his agent, without ARQANA & ARQANA Trot being in any way responsible for the consequences.

Horses (whether sold or unsold) must be removed from the premises the day of the Sale.

18 - Sales Charges

Purchasers' Charges :

- At auction : the sales prices plus 6% (H.T.), payable in cash

- Private sales : the private sales prices plus 6% (H.T.), payable in cash

19 - Commission to Intermediaries

Intermediaries (professional trainers or agents) acting on their own behalf or on behalf of an owner in the purchase of a lot and present on the day of the sale will receive a commission of 5% (before tax) on the auction price (of the amount purchased) that is subject to VAT for taxable intermediaries for all categories of horses.

This commission will be paid to the intermediary after payment for the horse(s) has been received, on condition that his name and details are indicated on the purchase docket as soon as possible after the fall of the hammer.

For online and live sales, the buyer (agent or trainer) must register in advance and bid themselves on behalf of their client. If these conditions are not met, no commission will be paid by ARQANA.

In the case of a dispute arising between Purchaser(s) and Vendor(s), the right of the trainer's or bloodstock agent's commission will be cancelled. No commission will be paid in the case of a buy-back on horses sold to dissolve a partnership.

20 - Engagements

Vendors and Purchasers are subject to the regulations of the Racing Authorities for everything which relates to engagements and forfeits for the animals presented for sale.

Each horse will be sold without his engagements unless they are listed in the catalogue or announced at the rostrum.

21 - Private Sales

A lot entered in the catalogue and advertised for sale by ARQANA shall not be sold by the owner without the written agreement of ARQANA. Where such agreement takes place, the Vendor will pay to ARQANA a commission of 7 % H.T. on the sale price, subject to a minimum of 2000 € in addition to the entry fee.

Where a horse entered for sale has been sold privately in the month following the sale, even if the sale is not carried out on premises of ARQANA :

- a - when the private sale price is superior or equal to the hammer price, this sale will be regarded as a sale by public auction after the co-signature of the form to this effect between the purchaser and the vendor. ARQANA will deal with the invoicing and will receive payment from the purchaser, purchase and sales charges will then be invoiced, the guarantee of payment to the vendor will thus be applied.
- b - where the private sale price is less than the hammer price, the vendor is obliged to pay ARQANA a penalty of 7% (seven per cent). Private sales which take place under these conditions will not be subject to the guaranteed payment to vendors.

22 - Jurisdiction

In the case of any disagreement with respect to auction sales organised by ARQANA Trot & transacted by ARQANA, such appeals will be heard by the Tribunaux de Lisieux

23 - Legal Address

ARQANA shall be entitled to ask a foreign Buyer to take up a legal residence in France at the address of his trainer or that of his broker in the mutual interest of the parties and, in particular, in order to speed up the exchange of all information and all documents among themselves.

In conformity with law n°78-17 of 6th January 1978 relating to computing, data files and freedom, Sellers and Purchasers have the right of access and of rectification of personal data regarding them, collected and processed by ARQANA & ARQANA Trot.

Conditions de vente

Les présentes conditions de vente sont réputées connues et acceptées par les vendeurs et par les acheteurs. ARQANA ne saurait voir sa responsabilité engagée en cas de dysfonctionnement voire d'impossibilité d'affichage des écrans ou d'accès aux sites arqana.com & arqanaonline.com, imputable au fournisseur d'accès de l'Utilisateur, à un encombrement du réseau internet, à un matériel non adapté ou à toute autre circonstance étrangère à ARQANA.

De même ARQANA ne saurait voir sa responsabilité engagée en raison d'un dysfonctionnement des télécommunications, d'un dysfonctionnement ou d'une impossibilité d'accès au site arqana.com du fait d'une opération de maintenance ou de mise à jour des sites arqana.com & arqanaonline.com. Les présentes conditions de vente

ARTICLE PREMIER – Ventes aux Enchères Publiques.

ARQANA, Société de Ventes Volontaires de Meubles aux Enchères Publiques, a été agréée en date du 8 mars 2007 sous le n°2007- 613 par le Conseil des Ventes Volontaires de meubles aux enchères publiques, agit comme mandataire du vendeur qui donne entière subrogation à ARQANA en ce qui concerne la facturation et l'encaissement.

Les présentes conditions générales de vente sont applicables en toutes leurs dispositions dès lors qu'elles ne sont pas contraires à celles qui sont énoncées avant la vente et consignées au procès-verbal.

Est assimilable à une vente aux enchères publiques quant aux dispositions qui sont applicables, la vente amiable de tout cheval qui a été présenté aux enchères par ARQANA et qui, en cas de rachat par le vendeur, fait l'objet d'une transaction ultérieure avec le concours de ARQANA, en vertu des termes de la loi du 10 juillet 2000.

ARQANA Trot agit comme organisateur des ventes et prête son assistance technique et matérielle à ARQANA.

La responsabilité de ARQANA et de ARQANA Trot ne saurait être recherchée par le vendeur ou par l'acheteur en dehors des limites de responsabilité ainsi définies et acceptées contractuellement par vendeur et acheteur. D'une façon générale, l'inobservation des conditions de vente ne pourra sous aucun prétexte engager la responsabilité de ARQANA et de ARQANA Trot procédant à la vente vis-à-vis des acheteurs et des tiers.

ARTICLE 2 – Enchères.

Le prix d'adjudication minimum :

Vente mixte : 1 000 €

Vente de yearlings sélectionnés : jour I : 5 000 € ; jours II & III : 2 000 €

Vente du Prix d'Amérique : vacation prestige 2 000 €

Les ventes aux enchères ont lieu au comptant.

Conformément à la loi, les enchères seront indiquées et prises en euros légaux, la traduction simultanée en devises étrangères n'est donnée qu'à titre informatif.

ARQANA chargée de la vente se réserve le droit de refuser les enchères de tout enchérisseur n'offrant pas une solvabilité notoire. Sera réputé tel, tout enchérisseur qui n'aura pas réglé sa précédente adjudication à ARQANA ou à tout autre organisme de vente.

S'il est établi que deux ou plusieurs enchérisseurs aient simultanément porté une enchère équivalente en même temps sur un même cheval, soit à haute voix, soit par signe, et qu'ils réclament en même temps ce cheval après le prononcé de l'adjudication, ledit cheval sera immédiatement remis en adjudication au prix de la dernière enchère, et tout le public présent sera admis à enchérir à nouveau. Le cheval sera alors adjugé au plus offrant et dernier enchérisseur.

A défaut de paiement comptant, tout lot impayé pourra être remis en vente sur folle enchère au cours de la vacation. ARQANA pourra autoriser un délai pour le règlement à tout acheteur présentant les garanties sur le paiement du prix. Ce délai ne pourra être supérieur à 20 jours à compter de la date de la vente. Le cheval ne pourra être engagé ni participer à aucune course tant que le règlement intégral du prix d'adjudication, des commissions et de la TVA n'aura été effectué. Le lieu de stationnement du cheval et toute modification de ce lieu de stationnement devra être signalé auparavant à ARQANA.

Dans les trente jours suivant la vente, à défaut de paiement par l'adjudicataire, et après mise en demeure restée infructueuse, le bien pourra être appréhendé par ARQANA en quelques mains qu'il se trouve sans formalité de justice et remis en vente sur folle enchère lors de la vacation suivante ou auprès d'un autre organisme de vente, l'adjudicataire défaillant sera alors tenu de payer la différence entre le prix du bien adjugé à son encontre et celui de la revente sur folle enchère sans

pouvoir prétendre à conserver l'excédent, s'il en existe.

Le vendeur pourra également demander la résolution de la vente sans préjudice de dommages et intérêts qu'il sera fondé à réclamer à l'adjudicataire défaillant.

ARTICLE 3 – Folle enchère.

ARQANA se réserve expressément le droit de faire procéder, (le même jour), à la revente sur folle enchère d'un cheval dont l'acquéreur s'avérerait défaillant ou incapable.

En cas de défaillance d'un adjudicataire (refus de signer le bon d'achat, abandon des lieux, etc.) ARQANA repassera le cheval en vente sans que la différence de prix puisse lui être réclamé. Dans cette hypothèse, la responsabilité de ARQANA ne pourra en aucun cas être recherchée ni par le vendeur ni par l'adjudicataire défaillant.

Au cas où le vendeur ou son représentant s'opposerait expressément à cette revente sur folle enchère, ARQANA sera déchargée de la garantie de paiement prévue à l'article 14.

En cas de revente sur folle enchère, à moins d'instructions contraires du vendeur communiquées par écrit à ARQANA avant la remise en vente, le prix de réserve par lui indiqué préalablement restera valable.

ARTICLE 4 – Renseignements à fournir par le vendeur.

Tout vendeur devra donner par écrit avant la vente les déclarations qui devront être portées, sous sa responsabilité, à la connaissance du public. ARQANA répond seulement de la conformité des déclarations données par le vendeur et de celles qui sont données au public, mais n'est nullement responsable de l'exactitude et de la sincérité des déclarations faites par le vendeur, notamment en ce qui concerne le régime d'assujettissement à la T.V.A., la désignation des chevaux, celle de leurs origines, leur signalement, les gains, les engagements en course, les vices rédhibitoires, les dates de dernier service, etc. Il appartient également au vendeur d'indiquer clairement lorsqu'une pouliche est à l'entraînement ou en est sortie.

Ainsi le vendeur est-il tenu de signaler par écrit avant la vente les erreurs ou omissions figurant au catalogue afin que ces erreurs ou omissions soient signalées au public par une annonce à la tribune avant la vente et consignées au procès-verbal. Tout vendeur qui n'aurait pas apporté, avant le début de la vente, un rectificatif écrit concernant les renseignements figurant au catalogue, au sujet des chevaux présentés par lui, sera considéré comme ayant approuvé ces renseignements et, de ce fait, la responsabilité de leur exactitude lui incombe pleinement.

Un pôle vétérinaire est mis à la disposition des vétérinaires agissant pour le compte des vendeurs ou des acheteurs, pour permettre à leurs frais, la lecture des radios et des vidéoendoscopies des chevaux mis en vente.

ARQANA attire l'attention des acheteurs sur les annonces qui sont faites à la tribune pendant la vente. En effet, ces annonces peuvent contenir des informations ne figurant pas au catalogue.

ARTICLE 5 – Absence.

Les droits d'inscription sont dûs pour tout cheval inscrit au catalogue même en cas d'absence. Pour tout sujet accepté, figurant au catalogue de cette vente et non présenté, le vendeur devra, sauf en cas de certificat vétérinaire (produit le jour de la vente) attestant de l'impossibilité absolue d'être présenté (mort, accident ou maladie grave), verser à ARQANA une somme ne pouvant être inférieure à 3 000 € s'ajoutant aux frais d'inscription. ARQANA se réserve le droit de présenter requête à Monsieur le Président du Tribunal de Grande Instance compétent, à l'effet de faire désigner un expert pour constater l'état de l'animal. Cette somme sera automatiquement due si le cheval figure sur un autre catalogue de vente concernant la même période de l'année. En cas de vente amiable antérieure à la vacation, cette somme de 3 000 € sera exigible et s'ajoutera de plein droit aux autres frais prévus sur le bordereau d'inscription.

ARTICLE 6 – Papiers d'origine et Parts d'Étalons.

Les chevaux inscrits par le vendeur doivent être accompagnés de papiers en règle comprenant notamment la carte d'immatriculation, le récépissé de dépôt, le livret signalétique ainsi que l'attestation et le certificat de saillie pour les juments vendues saillies payées, et uniquement l'attestation de saillie pour les juments qui ont un solde de saillie payable par l'acheteur.

Dans le cas de vente de parts d'étalons, les statuts doivent être déposés par le vendeur au secrétariat de la vente pour être compulsés par les acquéreurs éventuels. Dans le cas de dissolution d'association déclarée à la SECF, l'imprimé de dissolution d'association devra être signé par l'ensemble des co-associés avant la vente.

Ces papiers devront être obligatoirement remis avant la vente par le vendeur à ARQANA Trot ou au bureau d'ARQANA le jour de la vente.

La responsabilité du vendeur pourra être recherchée au cas où les documents n'auraient pas été remis en temps utile, et ce sans préjudice du droit pour ARQANA et ARQANA Trot de refuser la présentation de l'animal à la vente.

En aucun cas ARQANA, s'il était toutefois procédé à la vente de l'animal, ne sera responsable de l'absence des documents requis.

En outre, le vendeur accepte qu'une vérification des produits présentés soit effectuée avant la vente par un vétérinaire agréé.

Un certificat TEST DE COGGINS négatif de moins de 30 jours devra être OBLIGATOIREMENT déposé au bureau avant la vente. En l'absence de ce document, l'animal ne pourra être présenté en vente.

Le dépôt et le retrait des papiers s'effectueront toujours au bureau de ARQANA.

Le paiement au vendeur ne sera pas effectué tant que celui-ci n'aura pas fourni à ARQANA tous les documents d'accompagnement concernant les chevaux passés en vente, ainsi que la photocopie de la déclaration faite auprès de la SECF en cas de dissolution d'association.

Les ventes de Parts d'Étalons font l'objet de règles particulières propres aux statuts du Syndicat d'Étalons auxquelles elles sont attachées (délais de préemption, modalités de mise en vente, nombre de parts par étalon et nombre de saillies par part). Ces règles sont précisées dans la partie haute du pedigree catalogue, sous la responsabilité du vendeur. Le délai de préemption indiqué cours à compter de la notification de la vente (prix d'adjudication, frais et TVA) par la gérance du Syndicat à chacun des porteurs de parts. Un délai supplémentaire de 10 jours est donc à prévoir pour le traitement et l'information des parties par ARQANA.

Le changement de propriété et la matérialisation du titre de propriété sont à la charge et sous l'entière responsabilité du Gérant de la syndication.

Le règlement au vendeur interviendra après paiement de l'acheteur, avec une garantie de paiement au vendeur de 45 jours.

ARTICLE 7 – Garanties par le vendeur.

Les chevaux présentés aux enchères publiques sont vendus avec la seule **garantie de droit du Code rural (article L 213-1 et R 213-1 et suivants) à l'exclusion de toute autre garantie sauf les garanties conventionnelles pour les vices d'écurie, les bruits inspiratoires anormaux et l'ataxie locomotrice.** Nous informons les acheteurs qu'un vétérinaire est présent de façon permanente lors de toutes les ventes ARQANA. Le secrétariat des ventes communiquera ses coordonnées aux acheteurs qui souhaiteront, à leurs frais, se faire assister pour l'interprétation de tout dossier vétérinaire disponible auprès des vendeurs ou au Repository, avant chaque vacation.

Un vétérinaire sanitaire désigné par ARQANA est également disponible en cas de suspicion ou de constatation d'une maladie infectieuse. Il sera habilité à statuer de l'exclusion du site des ventes ou de la mise à l'isolement d'un animal présent sur le site des ventes.

Garanties conventionnelles :

L'acheteur pourra solliciter l'annulation de la vente en cas de vices d'écurie, bruits inspiratoires anormaux et ataxie décrits ci-dessous et dont il n'a pas eu connaissance avant la vente.

1 - Vices d'écurie :

Les vices d'écurie habituels et répétés tels que le tic à l'appui, à l'air, à l'ours, et marche dans le box, doivent être annoncés à la tribune, faute de quoi, la résolution de vente peut être demandée par l'acheteur.

Ainsi, tout lot, à moins d'avoir été décrit comme tel, peut être rendu si :

- (a) il Tique à l'Air (c.-à-d. aspire ou avale de l'air de façon habituelle, en prenant appui ou non sur des objets fixes avec ses incisives) ou qui Tique à l'Appui,
- (b) il a été opéré pour corriger le Tic à l'Air tel que défini ci-dessus, y compris le Tic à l'Appui,
- (c) il Tique à l'Ours de façon habituelle (c.-à-d. qui balance sa tête et son encolure, de façon habituelle, de droite à gauche et transfère son poids de l'un de ses antérieurs sur l'autre en alternance),
- (d) il Marche dans le Box de façon habituelle (c.-à-d. qui, de façon habituelle, marche d'avant en arrière ou autour du box de façon répétée et sans raison).

2 - Bruits inspiratoires anormaux :

Tout Lot décrit comme Yearling peut être rendu si :

- (a) il est Cornard (un cheval Cornard est un cheval que l'on peut entendre faire un bruit inspiratoire anormal caractéristique lorsqu'il est soumis à un exercice soutenu, et dont l'examen endoscopique révèle une Hémiplegie Laryngée ou Neuropathie récurrente laryngée),
- (b) il a été trachéotomisé ou a fait l'objet d'une autre opération pour la correction du Cornage (les opérations pour traiter le déplacement du voile du palais, y compris les opérations de « tie forward », cautérisation du voile du palais, réduction du voile du palais et myectomie ne sont pas des opérations de correction du Cornage au sens de la présente sous-section),
- (c) il fait un son inspiratoire anormal lorsqu'il est soumis à un exercice soutenu et qui souffre de (I) déplacement rostral de l'arc palato-pharyngé (défaut du quatrième arc branchial); ou (II) chondrome ou grave chondrite des aryénoïdes ; ou (III) fissure palatine ou (IV) entrapement de

l'épiglotte ; ou (V) kyste sous-épiglottique, à moins qu'il n'ait été décrit comme tel ou comme « faisant du bruit » sans qualification.

Tout Lot décrit comme un Cheval à l'Entraînement ou présenté attelé peut être rendu si :

(a) il est Cornard (dans le cas d'un Cheval à l'Entraînement, un cheval Cornard est un Lot que l'on peut entendre faire un bruit inspiratoire anormal caractéristique lorsqu'il est soumis à un exercice soutenu, en étant monté si possible, et dont l'examen endoscopique révèle une Hémiplegie Laryngée ou Neuropathie Récurrente Laryngée)

(b) il a été trachéotomisé ou a fait l'objet d'une autre opération pour la correction du Cornage (les opérations pour traiter le déplacement du voile du palais, y compris les opérations de « tie forward », cautérisation du voile du palais, réduction du voile du palais et myectomie ne sont pas des opérations de correction du Cornage au sens du présente sous-section) ; à moins qu'il n'ait été décrit comme tel.

3 - Ataxie locomotrice

Tout lot atteint d'ataxie locomotrice (ou spondylomyélopathie cervicale ou syndrome de Wobbler ou Mal de Chien) peut être rendu en application du présent article.

Procédure spécifique aux trois cas d'annulation sus énoncés

En cas de vice d'écurie, de bruit inspiratoire anormal ou d'ataxie locomotrice, l'acheteur pourra solliciter l'annulation de la vente en adressant une réclamation à ARQANA au plus tard à 17h le 7e jour suivant la vente par courrier postal ou électronique, accompagné d'un certificat vétérinaire. Le vendeur est tenu informé de la réclamation et du compte rendu du vétérinaire mandaté par l'acheteur.

À la demande du vendeur, et transmise à ARQANA par écrit dans les 4 jours suivant la réception du compte rendu du vétérinaire de l'acheteur, une expertise amiable contradictoire pourra être ordonnée par ARQANA. Elle sera réalisée par un vétérinaire nommé par ARQANA, chaque partie pouvant se faire assister de son propre vétérinaire.

À défaut d'accord entre les parties à la suite de cette contre-expertise, l'acheteur pourra saisir les tribunaux suivant les voies de recours ordinaires, il disposera pour ce faire d'un délai de prescription de 30 jours à compter de la réception du rapport d'expertise amiable.

Vices rédhibitoires

Toutefois, le vendeur doit garantir l'acquéreur contre les vices rédhibitoires, énumérés par l'article R 213-1 du Code Rural et non déclarés par lui avant la vente.

Toute action fondée sur lesdits vices rédhibitoires doit être intentée par l'acheteur conformément aux dispositions prévues par les articles R 213-3 et suivants du Code Rural, c'est-à-dire dans les 10 jours de la livraison (le cachet de la poste faisant foi), non compris le jour de celle-ci, à l'exception de la fluxion périodique et de l'anémie infectieuse pour lesquelles le délai est de 30 jours non compris le jour de la livraison. Tout délai expire le dernier jour à 24 heures. Le délai qui expirerait normalement un samedi, un dimanche ou un jour férié ou chômé est prorogé jusqu'au premier jour ouvrable suivant.

Dans lesdits délais et à peine d'irrecevabilité, l'acheteur doit présenter au Juge du Tribunal d'Instance où se trouve l'animal une requête afin d'obtenir la nomination d'experts chargés de dresser un procès-verbal de l'examen de l'animal. Dans ces mêmes délais, l'acheteur doit aviser le vendeur ainsi que ARQANA et ARQANA Trot (par lettre recommandée) de la présentation de sa requête au Juge du Tribunal d'Instance.

Dossier vétérinaire et arbitrage

Le dossier vétérinaire individuel d'un cheval présenté aux ventes est constitué par le vendeur avec le concours de son vétérinaire. Ce dossier contient des radios (effectuées selon le protocole mis en place avec l'AVEF), des vidéos d'endoscopie ainsi que tous les documents que le vendeur jugera utile de porter à la connaissance des vétérinaires des acheteurs. La constitution du dossier vétérinaire est placée sous la seule et entière responsabilité du vendeur.

ARQANA publiera une liste des lots pour lesquels les vendeurs auront déclaré disposer d'un dossier. Cette précision sera également mentionnée sur le site internet d'ARQANA. ARQANA met à disposition un repository pour le chargement et la consultation de dossiers vétérinaires. L'utilisation du Repository est soumise à des conditions spéciales et chaque utilisateur (vendeur, acheteur et vétérinaire) s'engage à les respecter. Ces dossiers sont datés de moins de 30 jours avant la vente et restent la propriété du vendeur après la vente. La consultation des dossiers vétérinaires fournis par les vendeurs est réservée exclusivement aux vétérinaires mandatés par les acheteurs.

Tout vétérinaire consultant un dossier s'engage à l'obligation de confidentialité des renseignements qu'il sera amené à recueillir. Dans le cas d'un dossier hébergé sur le repository, le vétérinaire en acceptera également les conditions d'utilisation consultable sur le site internet d'ARQANA.

La responsabilité d'ARQANA ne pourra être recherchée pour toute erreur de conformité ou d'identification vétérinaires ou manque de lisibilité des dossiers ou pour tout fonctionnement défectueux du matériel utilisé dans les salles de lecture.

Chaque vétérinaire agissant pour un acquéreur procédera à la consultation du dossier vétérinaire et le cas échéant, aux examens vétérinaires complémentaires, sous sa responsabilité et à ses frais, dans la limite du protocole établi par l'Association des Vétérinaires Equins. En cas d'accident causé à un cheval ou par un cheval examiné par un acquéreur éventuel ou son vétérinaire, ceux-ci seront seuls responsables et devront en supporter les conséquences directes et indirectes, vendeurs et acheteurs s'engageant à ne pas chercher la responsabilité de ARQANA pour quelque cause que ce soit. Tout acquéreur qui, par lui-même ou par l'intermédiaire de son vétérinaire mandaté à cet effet, aura eu ou aurait pu avoir accès aux dossiers vétérinaires et informations disponibles dans les espaces désignés ou les boxes de lecture de radios ou de vidéo-endoscopes, sera présumé en connaître la teneur et ne pourra s'en prévaloir pour obtenir la résolution de la vente.

A défaut d'avoir eu accès à ces informations et si dans les 30 jours qui suivent le jour de la vente, l'acquéreur estime qu'un vice caché affecte le cheval, celui-ci pourra, à ses frais, avec l'accord du vendeur demander une expertise amiable afin d'apprécier le bien-fondé de sa réclamation.

Cette expertise sera faite aussitôt par un expert vétérinaire agréé par les deux parties. La durée des opérations ne pourra être opposée par le vendeur comme motif d'irrecevabilité à toute action ultérieure. Les parties pourront s'engager, sauf vice de forme, à accepter les conclusions dudit expert. En toutes circonstances, l'action en résolution de vente, engagée par l'acheteur doit être rédigée directement contre le vendeur dont le nom lui sera fourni par ARQANA, à toute réquisition de sa part. En aucun cas, cette action ne peut mettre en cause ARQANA, qui ne peut être tenu pour responsable.

Aucune réclamation, même en cas de vice rédhibitoire n'est recevable, si l'acheteur n'a pas réglé le montant total de son achat au comptant.

En cas de vice rédhibitoire ou de litige (voir article 14), les fonds seront bloqués à ARQANA.

Action en résolution pour contrôle positif de produits non-autorisés

La vente sera résolue de plein droit (sauf souhait contraire de l'acquéreur) pour les chevaux ayant, avant l'adjudication, obtenus des performances, qui, par suite de contrôle positif de produits non autorisés, seraient invalidées par la SECF. Dans ce cas le vendeur sera tenu de rembourser l'intégralité du montant de l'acquisition (frais de vente inclus) sur simple demande de l'acheteur et de reprendre le cheval vendu. Pour être recevable la demande devra être formulée par l'acheteur ou son représentant par Lettre Recommandée-AR au maximum 15 jours francs après réception de la lettre de la SECF l'informant du distancement.

Identification des lots

Les vendeurs devront s'assurer que chaque cheval présenté porte bien le numéro qui lui est affecté au catalogue. En cas d'erreur ou de confusion, la responsabilité leur en incombera entièrement et ne pourra être attribuée à ARQANA.

ARQANA mandatera un vétérinaire pour procéder à la vérification du signalement des chevaux. En cas d'enquête, le vendeur s'engage à autoriser la prise de sang nécessaire, et les photographies des "châtaignes".

Les vendeurs s'engagent à ce que les animaux présentés en vente aient subi les vaccinations obligatoires prévues par le Code des Courses au trot en France, ainsi qu'un certificat Test de Coggins négatif datant de moins de 30 jours.

Les chevaux vendus sur décision de justice, sont vendus en l'état, sans garantie d'aucune sorte, sous couvert de l'article 1649 du code civil.

Poulinières

Tout vendeur de poulinières est tenu de préciser au catalogue : la production de la jument, année par année, depuis son entrée au haras, avec pour les produits disparus, les mentions : mort-né, mort au naissant ou mort accidentellement ; la date de la dernière saillie ; l'état présumé de gestation, les avortements, les jumeaux.

Le vendeur est responsable de l'exactitude de ces renseignements. Tout recours de la part de l'acheteur pour erreur ou omission ne peut être exercé que contre le vendeur. Au cas où un renseignement important figurant au catalogue, ou annoncé à la tribune à la demande du vendeur, s'avérerait incomplet ou inexact, la vente pourrait être résiliée à la demande de l'acheteur, dans un délai de 30 jours après la vente.

Le vendeur peut faire annoncer à la tribune la confirmation de l'état de gestation, en produisant à l'appui un certificat vétérinaire établi dans les 8 jours précédant la vente.

L'acheteur est en droit de faire examiner la poulinière par un vétérinaire agréé par le vendeur dans les 24 heures après la vente et avant qu'elle ait quitté l'établissement. Si le diagnostic s'avérait contraire aux déclarations du vendeur, la vente serait annulée de plein droit.

Toute poulinière vendue « vide » après indication qu'elle a été saillie et qui s'avérera « pleine » par la suite devra être rendue au vendeur. Celui-ci devra, bien entendu restituer à l'acheteur le prix de l'acquisition augmenté d'un intérêt de 6 % l'an, les frais de vente, le prix de la pension au tarif en vigueur et ce, dans les 15 jours suivant la lettre recommandée de l'acheteur l'avisant que la poulinière a été reconnue pleine. L'acquéreur aura toutefois la possibilité de conserver la poulinière, s'il le désire, en offrant au vendeur le simple remboursement du prix de la saillie, sans aucun autre frais supplémentaire. Dans le cas où l'acquéreur aurait laissé pouliner la jument, il sera considéré comme ayant accepté de régler le prix de la saillie que le produit soit viable ou non.

L'acheteur éventuel d'une pouliche sortant de l'entraînement est en droit avant la vente, de demander au vendeur l'autorisation de la faire examiner par un vétérinaire agréé par celui-ci, en vue de s'assurer de son aptitude à la reproduction en particulier en ce qui concerne l'état de ses organes génitaux. Tout cheval présenté comme étant « apte à faire un étalon » engage la seule responsabilité du vendeur. Dans le cas où les tests de fertilité s'avéreraient négatifs, la vente serait annulée de plein droit.

Tout vendeur d'étalon, ou de cheval susceptible de faire un étalon, s'engage vis-à-vis de l'acquéreur, en particulier du IFCE, à accepter à la demande de l'acquéreur l'annulation de la vente de l'animal, au cas où celui-ci n'aurait pas satisfait au 30^e jour de la vente, aux tests usuels de fécondité, et, en ce qui concerne le Service des Haras Français aux épreuves réglementaires de ce dernier.

ARTICLE 8 – Obligations diverses des vendeurs.

Les chevaux à vendre devront arriver au plus tard le matin de la vente afin de permettre aux acheteurs de les examiner, munis d'un licol obligatoire et d'une longe. Le licol deviendra la propriété de l'acheteur.

En outre, sous peine de ne pas être admis à la vente, ils devront obligatoirement être munis d'un mors ou chifnez.

Les vendeurs auront l'obligation d'assurer la présence d'un homme d'écurie rémunéré par eux et placé sous leur responsabilité jusqu'à 3 chevaux présentés. Un homme supplémentaire devra être fourni par eux par fraction de trois chevaux.

Le vendeur devra expressément être présent ou représenté au moment de la vente de ses chevaux afin de prendre toutes décisions pouvant être nécessaires et notamment dans le cas de folle enchère.

ARTICLE 9 – Résolution de vente.

Tout vendeur sera tenu, en cas de résolution de vente pour quelque cause que ce soit, de rembourser à l'acquéreur les frais et les honoraires de vente ainsi que toutes les dépenses occasionnées à l'acquéreur pour la conservation de l'objet en litige en France.

En cas d'exportation, les frais de séjours à l'étranger et de rapatriement en France sont à la charge de l'acheteur.

En aucun cas, l'action en résolution de vente ne peut mettre en cause ARQANA et ARQANA Trot qui ne peuvent être tenus pour responsable.

Il est expressément convenu que l'acheteur sera déchu de toute action à l'exclusion de celle fondée sur les vices rédhibitoires, dès participation de l'animal vendu à une quelconque épreuve hippique. L'action en résolution de vente ne pourra être engagée contre le vendeur, passé le délai de 30 jours et pour les causes énoncées aux présentes.

ARTICLE 10 – Responsabilité des dommages causés par l'animal ou causés à l'animal.

Jusqu'à la vente, c'est-à-dire jusqu'au prononcé de l'adjudication, les chevaux ou les lots à vendre, restant la propriété du vendeur, ARQANA et ARQANA Trot ne peuvent être rendus responsables, ni des accidents, ni des maladies ou des dommages quelconques survenus aux animaux ou causés par eux à des tiers que ce soit à l'intérieur ou à l'extérieur des établissements. Les risques d'incendie et les pertes et les dommages restent également entièrement à la charge des vendeurs.

Chaque acquéreur éventuel procédera à la consultation du dossier médical et le cas échéant, aux examens vétérinaires complémentaires, dans la limite du protocole établi par l'Association des Vétérinaires Equins, sous sa responsabilité. En cas d'accident causé à un cheval ou par un cheval examiné par un acquéreur éventuel ou son vétérinaire, ceux-ci seront seuls responsables et devront en supporter toutes les conséquences directes et indirectes, vendeurs et acheteurs s'engageant à ne pas rechercher la responsabilité de ARQANA et ARQANA Trot pour quelque cause que ce soit. Les opérations d'embarquement ou de débarquement, et toutes autres opérations similaires, sont faites pour le compte et aux frais, risques et périls du vendeur.

Aussitôt après l'adjudication, l'acquéreur se substitue au vendeur pour ces responsabilités. Le fait que ARQANA et ARQANA Trot acceptent de se charger pour le compte du propriétaire (vendeur ou acheteur) des opérations d'embarquement ou de débarquement ou d'expédition, n'entraîne nullement novation aux conditions ci-dessus stipulées. De surcroît, acquéreurs et vendeurs sont toujours libres de se charger eux-mêmes des embarquements ou des débarquements.

ARTICLE 11 – Vente sans réserve.

La vente étant volontaire, le vendeur ou son mandataire pourra toujours racheter l'animal présenté par lui s'il estime les enchères insuffisantes à la vente, à condition que la déclaration en soit faite par le vendeur lui-même ou son mandataire porteur d'un pouvoir écrit.

La déclaration devra être faite à la tribune, au moment même du rachat qui devra être consigné au procès-verbal. Le vendeur supportera alors les frais de rachat dont les montants sont indiqués sur le bordereau d'inscription.

ARTICLE 12 – Vente pour dissolution d'association.

Quand une vente sera indiquée pour cause de dissolution d'association entre copropriétaires, elle sera obligatoirement sans réserve, de telle sorte qu'un copropriétaire ne pourra jamais racheter ou retirer la part qu'il détient dans la copropriété. Par contre, l'un quelconque des copropriétaires pourra toujours enchérir pour son propre compte sur la totalité du lot et se le faire adjuger, dans ce cas, les frais seront exclusivement perçus sur la part qui ne lui appartenait pas et les frais de rachat sur la part qui lui appartenait.

En cas d'achat par l'un des associés de la part de son associé, ARQANA sera levée de sa garantie de paiement auprès de l'associé vendeur ; celui-ci sera réglé par ARQANA dès que le paiement aura été effectué par l'associé acheteur.

ARTICLE 13 – Règlement au vendeur.

ARQANA règlera chaque cheval vendu, après réception du paiement correspondant par l'acheteur le 30^e JOUR OUVRABLE non-compris le jour de la vente et en outre garantit au vendeur la totalité du règlement de chaque animal vendu le 45^e jour suivant celui de la vente.

Toutefois cette garantie ne pourra intervenir à l'égard d'un fol enchérisseur dans le cas et selon les termes de l'article 14, ou si l'adjudicataire est expressément agréé par le vendeur, malgré la demande de revente sur folle enchère présentée par ARQANA. Le vendeur ne sera alors réglé qu'après paiement entre les mains de ARQANA.

Parts d'Etalons : voir article 6.

Toute saisie ou opposition effectuée par un tiers sur les sommes revenant au vendeur rend caduque la garantie de paiement.

Toute action en résolution de vente engagée par l'acheteur ou litige entre acheteur et vendeur suspend la garantie de paiement au vendeur.

La garantie de paiement deviendra également caduque si le vendeur n'est pas à jour de ses règlements à l'égard de ARQANA.

En outre, le règlement, après la réception des fonds auprès de l'acheteur sera effectué entre les mains du vendeur à concurrence des sommes disponibles.

Dans le cadre d'une vente pour dissolution d'association, si l'un des copropriétaires achète la part de son associé, ARQANA sera levée de sa garantie de paiement auprès du copropriétaire vendeur qui sera réglé par ARQANA lorsque celle-ci aura encaissé le paiement de la part de l'associé acheteur.

D'autre part, ARQANA se réserve le droit de faire compensation entre les créances et dettes d'un même client au moment même de l'adjudication.

Le vendeur assujéti à la TVA est le seul responsable de la déclaration et du paiement de la TVA auprès des autorités fiscales compétentes.

ARTICLE 14 – Folle enchère opposable au vendeur.

Dans un délai de 10 jours suivant la vente, ARQANA pourra informer et notifier au vendeur la défaillance de l'adjudicataire ou ne présentant pas les garanties de crédit suffisantes. Après mise en demeure restée infructueuse, avec l'accord du vendeur, le bien pourra alors être remis en vente sur folle enchère lors de la vacation suivante ou auprès d'un autre organisme de ventes sans que la différence de prix puisse être réclamé par le vendeur à ARQANA. L'adjudicataire défaillant sera alors tenu de payer la différence entre le prix du bien adjugé à son encontre et celui de la revente sur folle enchère, et ne pourra également le cas échéant prétendre à conserver l'excédent, s'il en existe, cette différence demeurant acquise au vendeur. Dans le cas où le vendeur ne souhaiterait pas la remise en vente du cheval pour folle enchère, et après en avoir informé ARQANA par courrier recommandé, la vente sera résolue de plein droit et le cheval restitué au vendeur, sans préjudice de dommages et intérêts dus par l'adjudicataire défaillant vis-à-vis du vendeur.

Passé le délai de 10 jours suivant la vente, ARQANA engage sa responsabilité sur la garantie de paiement au vendeur le 45^e jour suivant celui de la vente selon les conditions citées à l'article 15. A compter du 11^e jour, Arqana subrogée par sa garantie de paiement dans les droits et obligations du vendeur, se réservera la propriété du cheval et disposera de tous les droits qui y sont liés, notamment sur la réserve de propriété ; sur les poursuites à entreprendre vis-à-vis d'un adjudicataire défaillant ; la remise en vente du cheval pour folle enchère et la réclamation de la

différence entre le prix du bien adjudgé à son encontre et celui de la revente sur folle enchère, l'excédent, s'il existe, demeurant acquis à ARQANA.

ARTICLE 15 – Paiement par l'acheteur. Retrait des papiers.

Toutes les ventes aux enchères publiques sont réputées faites au comptant. Seul le vendeur peut, après adjudication, autoriser par écrit l'adjudicataire à régler à terme aux conditions précisées dans l'acceptation écrite au vendeur. Cet écrit devant être porté à la connaissance de ARQANA. Dans ce cas, ARQANA ne réglera le vendeur qu'après avoir reçu le paiement de l'acheteur.

Toute personne qui porte des enchères est réputée les porter pour elle-même et l'adjudicataire, dont le nom sera mentionné au procès-verbal, sera personnellement responsable de son achat. Si l'adjudicataire déclare agir pour le compte d'un tiers, il devra être porteur d'un pouvoir écrit de cette personne et s'engager expressément en qualité de caution solidaire dudit tiers, pour le montant intégral de l'adjudication.

L'adjudicataire dont le nom sera mentionné au procès-verbal sera responsable de son achat en cas de défaillance de son mandant.

Au cas où l'adjudicataire ne posséderait pas de mandat exprès, ARQANA pourra considérer comme co-débiteur celui qui se révélera d'une façon ou d'une autre être le mandataire tacite dudit adjudicataire.

Aucune retenue, qu'elle qu'en soit la cause, ne pourra dorénavant et contrairement à certaines tolérances antérieures être faite sur les factures émises par ARQANA. Ces factures devront en conséquence être réglées intégralement par les acheteurs ou leur mandataire.

Tout paiement devra avoir lieu par l'intermédiaire de ARQANA et sera exigé dans sa totalité pour le montant net de la facture.

Ce n'est qu'après règlement intégral de leurs factures que les acquéreurs pourront obtenir les papiers concernant leur achat, au secrétariat de ARQANA.

Le paiement comprendra le prix de l'adjudication et sera majoré des frais de ladite adjudication. Ces frais, ainsi que le prix sont exigibles immédiatement, sans attendre la remise des papiers, sous peine de revente sur folle enchère.

En cas de non-paiement, ARQANA avisera l'adjudicataire par lettre recommandée avec accusé de réception :

- qu'il dispose de huit jours francs pour régler son adjudication ;
- que passé ce délai un intérêt de 0,75% par mois sera facturé rétroactivement à compter du premier jour de la vente, sur le montant global de la facture ;
- que ARQANA se réserve le droit de transmettre le dossier à son avocat qui se chargera du recouvrement ;
- que tous les frais et honoraires encourus par ARQANA pour le recouvrement de la créance seront à la charge du débiteur qui s'y oblige, ils ne seront toutefois pas inférieurs à 10 % du montant à recouvrer.
- que le bien pourra être appréhendé par ARQANA en quelques mains qu'il se trouve sans formalité de justice et remis en vente sur folle enchère lors de la vacation suivante ou auprès d'un autre organisme de ventes, l'adjudicataire défaillant sera alors tenu de payer la différence entre le prix du bien adjudgé à son encontre et celui de la revente sur folle enchère sans pouvoir prétendre à conserver l'excédent, s'il en existe.

En cas de vice rédhibitoire, les fonds seront bloqués par ARQANA.

ARTICLE 16 – Réserve de propriété.

ARQANA, subrogée par la seule exécution de sa garantie de paiement dans les droits et obligations du vendeur, se réserve la propriété des chevaux livrés jusqu'à complet paiement du prix et de ses accessoires. A cet égard, ne constituera pas un paiement au sens de la présente disposition la remise de traites ou de tout titre créant une obligation de paiement.

L'acquéreur s'interdit jusqu'au paiement intégral du prix et de ses accessoires de disposer du cheval par vente, nantissement, gage, prêt ou tout autre dessaisissement. Tout mandataire s'engage à porter à la connaissance de son mandant l'existence de la présente clause.

En cas de saisie ou de toute autre intervention d'un tiers sur le cheval, comme en cas de déclaration de cessation des paiements, de règlement judiciaire ou liquidation des biens, l'acquéreur est tenu d'en informer immédiatement ARQANA.

Malgré l'intervention de la présente clause de réserve de propriété, l'acheteur supportera la charge des risques en cas de décès, accident, maladie du cheval. Il devra supporter tous les frais d'entretien (soins, pensions, frais vétérinaires, entraînement & transport) du cheval vendu à compter de l'adjudication.

En cas de non-paiement du prix et de ses accessoires, le cheval pourra être appréhendé en quelque main qu'il se trouve et notamment chez un entraîneur public ou privé et ce si bon semble à ARQANA, sans formalité. Le prix qui en sera obtenu viendra en déduction du montant de l'adjudication en principal et frais, l'acheteur initial restant tenu du surplus de ses enchères et de tous dommages et intérêts s'y rapportant. Les frais de soins, de pensions,

d'entraînement et d'enlèvement du cheval resteront à la charge de l'acquéreur.
La vente elle-même sera résolue de plein droit et sans qu'il soit besoin d'une décision de justice.
Une simple ordonnance de référé du Président du Tribunal de Grande Instance compétent suffira pour revendiquer la possession des animaux impayés. Si le litige a lieu avec un commerçant le Tribunal compétent sera le Tribunal de Lisieux.

ARTICLE 17 – Bons de sortie.

Aucun cheval, vendu, ou non vendu, ne peut quitter l'Etablissement sans bon de sortie. Celui-ci doit être retiré au Secrétariat.

Avant de prendre possession de leur cheval, les acheteurs doivent se présenter au secrétariat de ARQANA et de ARQANA Trot pour régler le montant de leur achat, ou en indiquer les modalités, afin que leur soit délivré le bon de sortie indispensable à l'enlèvement.

Sauf opposition exprès du vendeur auprès de ARQANA et de ARQANA Trot dans la demi-heure suivant la vente, celle-ci laissera sortir le lot vendu, à la demande de l'acheteur ou de son mandataire, sans que la responsabilité de ARQANA et de ARQANA Trot puisse être engagée de ce fait.

Tous les chevaux (vendus ou non) ne peuvent séjourner sur le lieu de la vente à l'issue de la vacation.

ARTICLE 18 – Frais de vente.

a) A la charge des acheteurs :

- Aux enchères en sus du prix d'adjudication payable comptant 6 % (H.T.).

- A l'amiable en sus du prix d'adjudication payable comptant 6 % (H.T.).

- Taxes : T.V.A.

- Les chevaux sont vendus AVEC TVA (Assiette de calcul = prix d'adjudication + frais d'achat) :

- Certains chevaux pourront être vendus SANS TVA (vendeurs non-assujettis).

Information annoncée à la Tribune lors de la présentation du lot concerné. (TVA appliquée uniquement sur les 6% frais d'achat).

- Au taux de 5,5% pour les juments ayant été saillies, les pouliches sortant de l'entraînement devant être saillies dans la saison, les étalons et les parts d'étalons.

- Au taux de 20 % pour tous les autres sujets, chevaux en âge de courir, yearlings et foals.

Le calcul de la T.V.A. donne lieu à 5 cas :

1 - L'acheteur est français et est assujéti à la T.V.A. : facturation de T.V.A. sur la totalité du prix de vente (T.V.A. récupérable).

2 - L'acheteur est assujéti à la T.V.A. dans un Pays Membre de la C.E.E. autre que la France, fournit son numéro d'identification intracommunautaire et le cheval est livré dans un Pays Membre de la C.E.E. : exonération de T.V.A. (présentation du justificatif d'exportation obligatoire).

3 - L'acheteur est assujéti à la T.V.A. dans un Pays Membre de la C.E.E. autre que la France, fournit son numéro d'identification intracommunautaire et le cheval reste en France : facturation de T.V.A. (T.V.A. récupérable auprès des services fiscaux français).

4 - L'acheteur est non assujéti à la T.V.A. ni en France ni dans un autre Pays Membre de la C.E.E. : facturation de T.V.A. (T.V.A. non récupérable).

5 - Le cheval est exporté hors de la C.E.E. : exonération de T.V.A. sur présentation du document douanier attestant l'exportation. (DAU n°3 original) et mentionnant ARQANA comme exportateur. ARQANA décline toute responsabilité sur les conséquences juridiques et fiscales d'une fausse déclaration de l'acheteur.

b) A la charge des vendeurs :

- Inscription par cheval (soumise au taux de TVA à 20%. Exemption pour les Intracommunautaires qui possèdent un numéro de TVA), au tarif en vigueur.

Frais de vente (Enchères ou amiables)

7,5% HT (TVA 5,5% ou 20% selon le produit)

Frais de retrait ou de rachat

2,5% HT (TVA 5,5% ou 20% selon le produit)

Tout rappel de taxes ou de droits qui pourraient être fait par une administration de l'Etat ou des Communes au delà des taxes et droits actuels, serait à la charge du vendeur.

Si le cheval est en importation temporaire, le vendeur autorise ARQANA à reverser directement la T.V.A. au transitaire.

ARTICLE 19 – Commissions aux Intermédiaires.

Les intermédiaires (entraîneur professionnel ou courtier) intervenant pour leur compte ou le compte de propriétaires dans l'achat d'un sujet et présents le jour de la vente recevront selon l'usage une commission de 5 % HT calculée sur le prix d'adjudication (part achetée) soumis à TVA pour les intermédiaires assujettis pour toutes les catégories de chevaux. :

Cette commission sera réglée à l'intermédiaire après paiement du cheval, à la condition d'avoir son nom indiqué, sur le bordereau d'achat présenté à l'acheteur pour signature, aussitôt après l'adjudication prononcée.

Pour les ventes online et live, l'agent (courtier ou entraîneur) doit s'enregistrer préalablement et enchérir par lui-même pour le compte de son client. Dans ce cas, la commission intermédiaire sera facturable.

A défaut de réalisation de ces conditions, aucune commission ne pourra être réglée par ARQANA. En cas de litige entre acheteurs et vendeurs, le droit à commission de l'entraîneur ou du courtier de l'acheteur sera annulé.

ARTICLE 20 – Engagements.

Vendeurs et acquéreurs sont soumis aux règlements des Sociétés de courses pour tout ce qui concerne les engagements et les forfaits des animaux présentés à la vente.

Tout cheval sera vendu sans ses engagements sauf si ceux-ci sont mentionnés au catalogue ou annoncés à la tribune.

ARTICLE 21 – Vente à l'amiable.

Le vendeur s'engage à ne proposer, ni vendre tout cheval restant inscrit à cette vente, sauf accord écrit de ARQANA. Si cette autorisation était accordée, le vendeur s'engage à verser à ARQANA une pénalité de 7 % H.T. (sept pour cent) sur le prix de vente. Cette pénalité ne pouvant toutefois être inférieure à 2 000 € (deux mille euros) et s'ajoutant aux frais d'inscription.

Pour tout cheval inscrit et vendu à l'amiable dans le mois suivant sa présentation aux enchères, même si l'opération est faite en dehors des Etablissements de vente :

a) - lorsque le prix de vente amiable est supérieur ou égal au prix d'adjudication, cette vente sera assimilable à une vente aux enchères publiques après co-signature entre l'acheteur et le vendeur du formulaire destiné à cet effet, ARQANA procédant à la facturation et recevant le règlement de l'acheteur, les frais d'achat et de vente des conditions générales seront alors facturés, la garantie de paiement au vendeur sera alors appliquée.

b) - lorsque le prix de vente amiable est inférieur au prix d'adjudication, le vendeur s'engage à verser à ARQANA une pénalité de 7% (sept pour cent) sur le prix de cette vente.

Les ventes amiables réalisées dans ces conditions ne feront pas l'objet de garantie de paiement aux vendeurs.

ARTICLE 22 – Attribution de juridiction.

Pour tout litige concernant les ventes aux enchères organisées par ARQANA Trot et réalisées par ARQANA l'attribution de juridiction est faite aux Tribunaux de Lisieux, seuls compétents.

ARTICLE 23 – Election de domicile.

ARQANA peut demander à un acquéreur étranger d'élire domicile en France chez son entraîneur ou son courtier, cela dans l'intérêt commun des parties et notamment pour accélérer les transmissions de toutes informations et de tous documents entre elles.

Conformément à la loi n° 78-17 du 6 janvier 1978 relative à l'informatique, aux fichiers et aux libertés, vendeurs et acheteurs disposent d'un droit d'accès et de rectification aux données personnelles les concernant, collectées ou traitées par ARQANA et ARQANA Trot.

La vente est gouvernée par les Conditions de Vente exprimées en français et s'il y avait quelque différence entre la version française et la version anglaise traduite, la version française sera celle qui gouvernera.

The sale is ruled by the french version of the Conditions of Sale and if any dispute arises out of the meaning of any provisions in this catalogue then the French language version shall prevail.

HAND SHOWING AT 1PM

A hand showing will be held on **Tuesday 27 August at 1pm in the presentation ring.**

To ensure the smooth running of the showing and the comfort of our customers, it's important that the yearlings are presented on time and in catalog order.

Nous attirons l'attention de Mesdames et Messieurs les vendeurs et présentateurs, qu'une présentation en main des yearlings sera organisée le mardi 27 août à 13h dans le rond de présentation.

Pour son bon déroulement et le confort de notre plus nombreuse clientèle, il est important que les poulains soient présentés à l'heure et dans l'ordre strict de la numérotation du catalogue.

CONSULT VETERINARY FILES!

The repository is a secured digital platform that centralises studies of horses entered in a sale. Only comprehensive veterinary studies following the advised veterinary protocol for each sale are accepted on the repository.

Le repository est la plateforme dématérialisée et sécurisée permettant de centraliser les dossiers vétérinaires des chevaux présentés aux ventes. Seuls les dossiers vétérinaires complets selon le protocole conseillé pour chaque vente y sont acceptés.

**X-Ray files can be consulted exclusively
by your veterinarians on our website from
Friday 23 August 2024.**

*Les dossiers radiographiques seront consultables
exclusivement par vos vétérinaires sur notre site à partir du
vendredi 23 août 2024.*
